Due to scheduling constraints based on the number of teams per divisions, teams may have games on consecutive days.

Youth Divisions may have up to two games in one day, games starting Fridays at 3:00 pm, Weekdays 5:00 pm and early mornings on the weekend. We will take in consideration SSA's Sanctioning rule for scheduling times between games when teams are playing twice in a day.

Games will be played on the front half field as well as the back half field. Teams are guaranteed a minimum of three games and depending on registered teams may participate in divisions with unbalanced groups.

We will not entertain scheduling requests due to teams that have coaching staff and players involved in multiple

divisions. These requests make it extremely difficult to provide an appealing and organized schedule for the WCP CUP. All other scheduling requests are **not guaranteed** and are completely subject to the discretion of the schedule makers in consideration of the best interests of all the teams participating in the WCP CUP,

All teams should be made on the assumption that all games could play at any time during the duration of tournament March 28-April 13.
